DIRECTOR'S LETTER

Dear Forest Lakes Residents,

Summertime is now upon us. Our beautiful pool facilities are in full swing and excitement is in the air with schools closing and vacations beginning. It is wonderful to see residents out enjoying the multitude of Forest Lakes amenities. Our amenities are what make our community like no other around. No matter your fancy - be it the miles of walking trails, large common areas, playgrounds, pool facilities, tennis courts, fitness center, lakes and streams, basketball courts, or an event in the Pavilion or Poolhouse - there is something for everyone here in Forest Lakes!

Ballots: Thanks to all of you who have sent in your ballots and those of you who will be sending in ballots for the Hollymead Lake Dam easement. We've had a great number of ballot responses-again, thank you. Please see June 13, 2018 meeting notice in this newsletter. Should you have any questions or need clarification on this issue, please do not hesitate to call the FLCA office.

Recycling: Our new recycling program is up and running. County Waste did a couple of dry runs before the start date of 6 June to ensure all ran smoothly before all recycle totes were put out on the designated trash/recycle start date. So far, so good! Please be sure to keep the flyer delivered with this newsletter on recycling as a reference (on the refrigerator!?). Again, should you have any questions or concerns about the new program, please call the FLCA office.

Internet Access: Wireless internet is available at both the North and South Pools as well as the gym. Password: forestlakes

Stay Connected: Be sure to stay connected with your Forest Lakes Community through E-News, the newsletter, the website at www.forestlakes.net, and by attending scheduled meetings. If you haven't done so already, please sign up for E-News on our website to receive important updates and information about Forest Lakes via email.

Safety: When driving, please be mindful of the many pedestrians and bicyclists on our roadways and always obey posted speed limits and stop signs. We continue to contract with the Albemarle County Police Department for supplemental security and traffic patrols in Forest Lakes. Officers aggressively conduct traffic enforcement throughout our roadways to keep our community safe and officers provide frequent security patrols of our facilities.

Also, don't forget to visit the Farmer's Market each Tuesday between 4pm and 7pm at the South Pool parking lot. Come enjoy fresh, local, in-season produce and more!

Please have a safe and fun filled summer.

Sincerely,

Your Forest Lakes Board of Directors

POOL NEWS

Our pools are up and running! We had another successful opening on Memorial Day weekend, despite the less than perfect weather! Pool hours will begin on a “normal” schedule beginning Thursday, June 8th. Please see the Pool Hours flyer in this newsletter for details.

Don't forget to bring the kids to the Annual School's Out party the evening of June 7th! There will be music, treats and fun!

Please remember to always bring your pool cards with you when coming to the pool – no card, no entry! Pool cards must not be given to non-residents for use at any time. If you are bringing guests to the pool, you must stay with them the entire visit. When you leave, your guests must leave.

Early morning lap swim begins on Tuesday, June 12th at the South Pool from 6:30-7:30am. The pool will be open for Forest Lakes adults only (bring your pool card!) on Tuesdays and Thursdays through July.

Have you not received your poolcards yet? If not, please call the office at 973.4596. If you lease a home in Forest Lakes, it may be because we don't have a current lease on file. If you are a homeowner, perhaps we don't have a resident information sheet on file. OR, maybe they got lost in the mail! Give the office a call!

Thanks for helping to make our pools family-friendly, safe and a fun place to be for ALL during the summer.

SWIM LESSONS

It's not too late to sign up for swim lessons! At the guard table at each pool, there is a swim lesson sign up book. You can look for the class and session you would like to sign your child up for, write their name in and leave payment in the notebook (or pay the instructor at the 1st class). The notebook for classes held at the South Pool is located at the south guard table. Classes that are being held at the North Pool are in the sign-up book at the north guard table. Instructors also give private, semi-private and adult lessons.

FARMER'S MARKET

The Farmers' Market continues every Tuesday at the South Pool Parking lot from 4-7pm. The season for fresh vegetables is coming – find some at the market along with a multitude of other goodies and crafts!

Dear Forest Lakes residents, parents and junior tennis players,

The Clay Tech courts of North Forest Lakes have been re-nourished for the summer season of tennis playing. Nearly 1000 pounds of new clay material has been added to each court.

It is a good time to remind everyone of the responsibilities of every tennis-playing resident!

- Please be considerate of other residents and brush/line your court after playing. Hang up the brushes and liners on the fence, well off the ground. (Hang up the squeegees on the fences at South.) Deposit all your cups, tennis ball cans and other garbage in the receptacles provided.
- Don't let young children "play" with the court equipment. They do a terrible job of lining the courts!
- Be respectful of others playing. Don't just "jump on a court" because it is open. Check the reservation sheets at the Pro Shop to make sure that the court isn't already taken.
- Don't play on courts when there is standing water on them. It is dangerous and can mess up the courts for later play.

The **Summer Tennis Camp** will commence on June 11. Four-week, nine-week and single-week packages are available. One- two- and three-hour options are available. Please email me or stop by the Pro Shop at North to get forms and more information.

The Clay Tech courts play best when they have been watered. Come a little bit early and give the courts a good bit of water before playing on them. You will enjoy the experience much more.

Annually, I spend over \$1000 on tennis balls! Players hit balls over the fence all the time. They are not for the taking! Please leave them on the ground or throw them back onto the courts when there is a stoppage of play. I appreciate it.

Remember: tennis courts are for TENNIS! Tennis courts are NOT for bicycles, soccer, dog training or baseball batting practice. There are about thirty more activities that shouldn't take place on the courts, but hopefully you get the idea—TENNIS only please!

Through the efforts of John Oliver, esteemed Forest Lakes resident and tennis nut, we have a tennis ball recycling program. When your tennis balls have lost their life, drop them in the bin provided outside the Pro Shop. When it is full, they are sent off to be recycled. We have already filled up one bin and it has been shipped. Thanks, John O.

A new, exciting line of Dunlop rackets is out! If you are in the market for a new racket, check with me to demo one of these new frames. I also have a few of last year's models at close out prices.

As always, I offer restringing and regripping services. Now is the time to get your racket tuned up for the upcoming warm weather.

Finally, from time to time, I will ask players if they are Forest Lakes Residents. Please don't be offended—I'm just doing my job. It has come to my attention that non-residents sneak on the courts occasionally. If there are people playing that are not residents, politely ask them to leave or tell me and I will do so. Some former Forest Lakes residents occasionally jump on the courts, but they must be with a current resident or they will be given the boot!

Warm regards,

Jim Labinsky

Swimming Up To Hurricanes

Register online at forestlakesswimteam.wordpress.com

Starts June 18th – July 14th

The Tropical Storms is a five week development program of the Forest Lakes Hurricanes Swim Team (FLST). It is designed to be an introduction to the competitive swim team. This program will provide the basics of competitive swim strokes. This program is not a substitute for swim lessons.

Tropical Storms are for children 4 years old and all new swimmers under 7 years old.

The program will introduce young swimmers to the swim team style of swimming and advance them to be able to swim at least 1 pool length (25 meters) of Freestyle and Backstroke. This 45-minute practice is intended to be an introduction to the swim team. The Tropical Storms goal is to encourage as many young swimmers to enjoy the swimming sport in a fun and friendly environment. They will practice 3 times a week, Monday, Tuesday, Thursday from 12:00-12:45 at the South Pool.
